

Partner Agreement

Agency: _____

Partner: _____

1. Do you demonstrate and demand integrity within your organization?

Agency_____

Organization_____

2. While we understand that your organization may have several goals, do those goals ultimately align with providing the community with a safe environment that includes the reduction of crime and violence?

Agency_____

Organization_____

3. Are you committed to facts, and will you assist our agency in providing the members or followers of your organization with factual information?

Agency_____

Organization_____

4. While we certainly understand that conflict, including debates and disagreements, can occur within any relationship, are you committed to dealing with this in a professional manner so that mutual cooperation can occur?

Agency_____

Organization_____

5. Our organization seeks to learn from others, and we are committed to the challenge of rejecting the status quo, or 'what we think we know', and examining the concerns of our community. Will you commit to working together, in a mutual fashion, with that cooperative mindset and work ethic?
